

Welcome to Up North Distillery!

Since 2015, we have been distilling spirits from "farm to flask" using locally sourced ingredients. We prefer to do everything by hand, so you know exactly what you are drinking, and we pride ourselves on being a true craft distillery. Thank you for supporting small-batch spirit producers! We invite you to check out our second location, The Bee's Knees Whiskey Bar in Hayden.

Cheers, Randy & Hilary Mann
